• We are an academically rigorous publication

• We rely on our skilled volunteers to peer review submissions and to prepare selected submissions for publication

• We publish articles, reviews, and a wide array of creative works by graduate students in various programs and schools
• Helping to edit the work of others and having your work edited by others can be an incredible learning experience

• The work you will be a part of will not just look great as experience on a resume, it will also help you develop skills that you can apply in your studies, work, and life
How can you participate?

There are three ways...

Approaching van Dyck (2013)
Neil McClelland
Watercolour & Encaustic on Panel, 60” x 48”

River Valley Soup
(2010)
Danielle LaBrie
Watercolour and Chinese ink on paper,
28.5 cm x 14.5 cm
Here is a selection of peer reviewed pieces ...
The Second Came
I fell in love tonight
With forgotten fervour
I found myself
Feeling
Spine-climbing shivers
Scouring
Neglected texts
Pondering
Their marked lines
The skip in my heart
Beats new again
Impassioned in poetry
I exist to write
In a verse my universe
In a word my world
All-encompassing
Phonemic climaxes
And a dull ache
From vacant years
Subdued

The Second Came
