

PREPARING A WINNING 3MT

Mohammad Belghis-Zadeh

Agenda

- Content Preparation
- Slide Creation
- Presentation Day
- Resources

Content Preparation

- Be Proud of yourself and your thesis
- Tell a story. Why it matters?
- Link it to real life
- Write it for your target audience
- Keep it simple and interesting
- Less is more
- Practice
- Record and time yourself
- Present it to non-technical audiences and answer their questions in your story

Slide Creation

- Create a slide for your story. Don't write story for your slide.
- Support your story
- Little text
- Keep it simple and not too busy

Presentation Day

- Start your webcam
- Your body and face should support your story
- Be relaxed and confident
- Watch the time
- Don't read your text, just tell your story
- Don't rush
- Have little sense of humor

MT THREE
MINUTE
THESIS
